DIRECTIONS FOR USE

READ ENTIRE LABEL — USE IN ACCORDANCE WITH LABEL INSTRUCTIONS

Use Sites: Animal production facilities

Dilution: MIX CONTENTS WELL BEFORE USING. Apply with a backpack, 4-wheeler or truck mounted sprayer with appropriate spray pattern and medium nozzle. Dilute Pertinent Ag Crawling Insect Concentrate at a rate of 1.5-4 gallons of water per gallon of concentrate. Pour ½ of water into spray reservoir, add concentrate, then rinse empty concentrate jugs with remaining water and add to reservoir.

For use against litter beetles: Apply Pertinent Ag Crawling Insect Concentrate immediately before feed lines are placed, and after any litter replacement, decaking, or application of other litter treatment products. Apply Pertinent Ag Crawling Insect Concentrate at a rate of 0.5-1.0 gal of diluted product per 100 sq. ft. of treated area. Apply around the perimeter of the house for a band of 3 ft on the litter next to the walls and 18 inches up the wall. Apply a band of 18 inches of treatment under feeders and water lines.

For use against cockroaches and bed bugs: Spray diluted Pertinent Ag Crawling Insect Concentrate in areas where insects congregate, such as in cracks, crevices, and crannies around production house - under and behind tables, in crevices around or between wall joists, around floor perimeter and at junctions between walls and ceiling. Apply at a rate of 0.5-1 gallon of diluted product per 100 sq ft of treated area.

PRECAUTIONARY STATEMENTS: Keep away from heat, sparks, open flames, and hot surfaces. Keep container tightly closed. Ground or bond container and receiving equipment. Use explosion-proof electrical, ventilating, or lighting equipment. Use only non-sparking tools. Take precautionary measures against static discharge. Do not breathe the mist, vapors, or spray. Wash thoroughly after handling. Contaminated work clothing must not be allowed out of the workplace. Wear protective gloves, protective clothing, eye protection, and face protection.

FIRST AID

Immediately call a Poison Center or doctor if symptoms persist.

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. **IF ON SKIN:** Immediately take off all contaminated clothing. Rinse skin with water or shower. **IF INHALED:** Remove person to fresh air and keep comfortable for breathing. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting.

PHYSICAL AND CHEMICAL HAZARDS: Do not apply on or around electrical wiring. Do not apply to hot surfaces or equipment.

STORAGE AND DISPOSAL: Store in original container at room temperature in a dry location inaccessible to children or animals. Keep container tightly closed. Do not reuse container. Rinse empty container and recycle or dispose in trash. Comply with state and local guidelines for disposal of unused product.

WARRANTIES AND LIMITED LIABILITY: Pertinent Eco-Solutions, Inc. warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Pertinent Eco-Solutions, Inc. makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. Pertinent Eco-Solutions, Inc.'s liability or default, breach or failure under this label shall be limited to the amount of the purchase price.
