This product has not been registered by the United States Environmental Protection Agency. Pertinent Animal Health, Inc. represents that this product qualifies for exemption from registration under FIFRA 25(b).

PRECAUTIONARY STATEMENTS CAUTION Avoid breathing mist or vapors. Wash thoroughly after handling. Wear protective gloves and eye protection. Wash contaminated clothing before reuse. Dispose of contents and container in accordance with local and national regulations.

FIRST AID Have the product label available when seeking medical advice or treatment. **IF IN EYES:** Flush eyes thoroughly with water for several minutes, while holding the eyelids apart. Remove contact lenses if easy to do so and continue flushing for several more minutes. Get medical attention if irritation persists. **IF ON SKIN or CLOTHING:** Take off contaminated clothing. Flush skin thoroughly with water for several minutes. Get medical attention if irritation or rash occurs. **IF SWALLOWED:** Do not induce vomiting unless told to do so by medical personnel. Get medical attention if symptoms develop. **IF INHALED** Move person to fresh air. Call a doctor for medical advice if the person has difficulty breathing or irritation persists.

PHYSICAL AND CHEMICAL HAZARDS Do not apply on or around electrical wiring. Do not apply to hot surfaces or equipment.

DIRECTIONS FOR USE For use in Animal Production Facilities, Commercial Establishments, and Residential Areas. Animals may remain in facility during application, but Adult Fly Concentrate is designed for treatment of facilities and premises – do not apply directly to animals, food, or feed crops. Dilute at the rate of 1-8 oz per gallon (1 gallon of the concentrate can be added to 16-120 gallons of water), using the high concentration for severe infestations and low concentration for maintenance applications. **Method of Application:** In compressed air or powered backpack, hand-held, or other sprayers, apply at 0.5-1.5 gallon of the diluted solution per 1000 sq. ft. In mister or fogger systems, apply at 0.2 gallon/1000 cu. ft. Apply as needed to control adult fly population. Reapply as often as needed.

STORAGE AND DISPOSAL Do not contaminate water, food, or feed by storage or disposal. Store in original container at room temperature

in a dry location inaccessible to children or animals. Keep container tightly closed. Do not reuse container. Rinse empty container and recycle or dispose in trash. Comply with state and local guidelines for disposal of unused product.

WARRANTIES AND LIMITED LIABILITY Pertinent Animal Health, Inc. warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Pertinent Animal Health, Inc. makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. Pertinent Animal Health, Inc.'s liability or default, breach or failure under this label shall be limited to the amount of the purchase price. Pertinent Animal Health, Inc. shall have no liability for consequential damages.

In the event of any spill, fire, disposal or medical emergency involving a human or animal, please call INFOTRAC at 1-800-535-5053, 24/7/365
